

'Buy American' - WWEMA's Strategy

WWEMA engages key legislators, the EPA, the Canadian Embassy, and many other stakeholders on a monthly, weekly, and even daily basis regarding the "Buy American" provisions in existing and pending legislation.

We have issued [more than a dozen letters and articles](#) related to this issue. We are currently developing a strategy for continuing to communicate manufacturers' concerns regarding these provisions at both the federal and state levels, including such activities as letter-writing campaigns and Capitol Hill fly-in visits. For information on how you can participate along with your colleagues in these efforts, please email info@wwema.org with the subject line "Buy American" or call 703.444.1777  703.444.1777.
